EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Delete claims 24-29, since the election of claims 1-23 was made without traverse.

2. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest a switch having a movable electrode, a first fixed electrode positioned on both sides of the movable electrode with a predetermined gap; and a second fixed electrode positioned beneath the movable electrode with a predetermined gap wherein a plurality of convex and concave parts are provided at predetermined positions in a side surface of the movable electrode and a plurality of concave and convex parts are provided in the first fixed electrode respectively corresponding to the convex and concave parts in the side surface of the movable electrode.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
